

# ADMISSIONS DEADLINES AND PROCEDURES

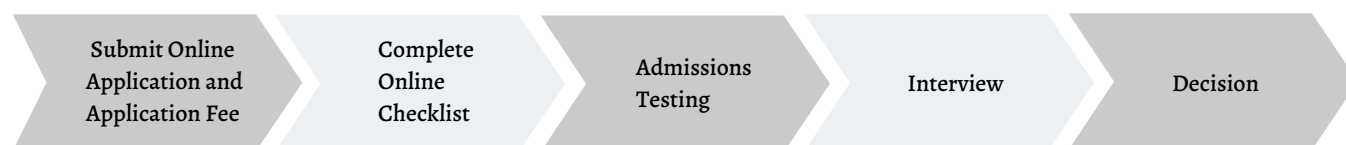

## ADMISSIONS PROCESS

Thank you for considering Regents School of Austin for your family. The admissions process at Regents is a holistic process that seeks to promote student success and a healthy partnership between our school and our families. An application for admission may be submitted during one of three admission rounds: the Priority Decision Round, the Regular Decision Round, or the Rolling Decision Round. An outline of the process, key dates, and more details about applying can be found throughout this document.

*Siblings of current Regents students should apply during the Priority Decision Round, but please note that some deadlines are different for sibling applicants. Siblings are not guaranteed admittance, but qualified siblings of Regents students in good standing receive priority consideration when the application and required checklist items are received by the specified due dates.*

## ADMISSIONS OUTLINE

In addition to the admissions process, families that are interested in applying for financial assistance or a monthly payment plan should complete the financial assistance application concurrently with their application for admission. Admission decisions at Regents are made on a need-blind basis and are not impacted by any request for financial assistance. Please see our Financial Assistance document for more details.
